

BACKUP POWER PRODUCT CATALOGUE

Baby bup

Power rating: 200W inverter
Battery capacity: 46,000mAh lithium (170Wh)
Weight: 2kg
Size: 200x145x46mm
Charging duration: 6-7 hrs to full charge
Usage duration: 4-8 hrs depending on load
Solar capacity: 100W

Price:

Without solar panels: N50,000

With solar panel: N75,000

Buddy bup

Power rating: 300W inverter
Battery capacity: 60,000mAh lithium (220Wh)
Weight: 3kg
Size: 200x200x80mm
Charging duration: 6-7 hrs to full charge
Usage duration: 6-12 hrs depending on load
Solar capacity: 150W

Price:

Without solar panels: N75,000

With solar panel: N105,000

Buddy extra

Power rating: 300W inverter
Battery capacity: 72,000mAh lithium (266Wh)
Weight: 3kg
Size: 200x200x80mm
Charging duration: 6-7 hrs to full charge
Usage duration: 6-14 hrs depending on load
Solar capacity: 150W

Price:

Without solar panels: N78,000

With solar panel: N110,000

Elite bup

Power rating: 300W inverter
Battery capacity: 100,000mAh lithium (370Wh)
Weight: 5kg
Size: 235x235x105mm
Charging duration: 6-7 hrs to full charge
Usage duration: 6-18 hrs depending on load
Solar capacity: 200W

Price:

Without solar panels: N90,000

With solar panel: N130,000

Master bup

Power rating: 350W inverter
Battery capacity: 180,000mAh lithium (666Wh)
Weight: 6kg
Size: 315x131x184mm
Charging duration: 6-7 hrs to full charge
Usage duration: 6-20 hrs depending on load
Solar capacity: 250W

Price:

Without solar panels: N155,000

With solar panel: N200,000

18 months warranty

Overload, over discharge protection etc

Ideal for TV, mobile devices, laptop, table top fridge, drone, sound system, ring light, fan, lighting, printer, emergency systems (CCTV, electric fence, alarm) etc
